

# Cambridge & Impington Tang Soo Do Clubs

## May Dan Testing 2014

This year's first cycle of Dan testings was held on Saturday May 10<sup>th</sup> at Huntingdon Leisure centre, although a small pre-testing the majority of those were back to test for their grade having passed the pre-test with flying colours. Mr Halliday from Impington who was successful at the pre-test was testing for his third dan along with twenty other students from all over Great Britain. Also testing on the day were Jaden Stanworth, Mr Halliday's student, and Jeremy Thomas who attends our Sunday classes.

In a four hour test the candidates were tested on hand techniques, kick techniques, combination kick and hand techniques, jump kick combinations, pad work, all hyungs, weapons, self-defence techniques and breaking. Everybody did very well and passed there testing, with Mr Halliday giving a very good performance showing great spirit in the testing.

After the testing everyone got together to have a meal and celebrate their success, those testing were asked to sing the TSD anthem as a final part of their test, good job the pass wasn't including the singing. Keep trying and learns the words!

Below is a group photo of those testing including the examining Masters.
